Dear Mr. Husted:

It was kind of you to take the time to discuss with [REDACTED] and me some of our housing construction problems yesterday.

I am sorry in some ways that it does not seem feasible for us to pursue this new type of construction at this time. While I do not anticipate any other locations at which we might be able to use it, I do appreciate your good offer to notify me if there are any developments in the localities which we discussed. In any case, I do genuinely appreciate your consideration of our problem.

Sincerely,
